

**SCHEDULE “B”
CLASS ENVIRONMENTAL ASSESSMENT
PROJECT INITIATION
1ST MANDATORY PUBLIC CONTACT – PHASE 2**

**TOWN OF SAUGEEN SHORES
CLASS ENVIRONMENTAL ASSESSMENT
SOUTHAMPTON SANITARY SEWERS - NORTH OF THE SAUGEEN RIVER
PUBLIC COMMENT INVITED**

The Town of Saugeen Shores is reviewing opportunities to extend the Southampton sanitary sewage collection system to the lands north of the Saugeen River, where no municipal sewage collection system currently exists. The intentions of the project is to allow planned development in accordance with Provincial Policy and the Town’s Official Plan, and to address an increasing risk of groundwater contamination and environmental degradation due to existing private sewage disposal systems.

The project is being planned under **Schedule B** of the **Municipal Class Environmental Assessment**.

A Public Information Centre (PIC) is being planned at the Town Hall, 201 High Street, Southampton on **June 17th, 2009 at 7:00 pm**, at which time the project will be presented, followed by a question and answer session.

A second Public Information Centre (PIC) is being planned at the Town of Saugeen Shores municipal offices, Rotary Hall, 600 Tomlinson Drive, Port Elgin on **June 20th, 2009 at 2:00 pm**, at which time the project will be presented, followed by a question and answer session.

For further information on this project, or to inspect a copy of the Project File, please attend the PIC or contact Mr. David Burnside, Director of Engineering Services, Town of Saugeen Shores or Mr. John Slocombe, P.Eng., of Gamsby and Mannerow Limited, Consulting Professional Engineers.

Public input and comments are invited, for incorporation into the planning and design of this project, and will be received until July 3rd, 2009. Subject to comments received and the receipt of necessary approvals, the Town of Saugeen Shores intends to proceed with the planning, design and construction of this project, to be completed in 2011.

This Notice issued May 22nd, 2009.
