

THE CORPORATION OF THE TOWN OF
SAUGEEN SHORES

CIRCULATE DIRECT

Prepared By: Bill Jones, Director of Public Works
Date: February 26, 2009
Subject: **Annual Reports for Drinking Water System**

BACKGROUND

As per provincial water regulations copies of annual reports for drinking water systems must be submitted to the Town and made available for viewing by the end of February 2009.

These reports will be advertised on our municipal web page and available at the Town office for viewing.

For 2008 there will be two reports. One for Port Elgin, one for Saugeen Shores water treatment system which now serves both Port Elgin and Southampton from the Southampton Water Treatment plant.

It should be noted that as of October 31/08, Port Elgin Water Treatment plant was taken out of service.

If you have any questions please contact me.
