Port Elgin, ON N0H 2C0

June 22, 2010

Town of Saugeen Shores

SOUTHAMPTON NORTH END PROJECT

Notice to Residents

Tyendinaga Dr. from Tuscarora Trail to the east end of Tyendinaga:

Due to an unforeseen delay in obtaining the necessary approvals to allow the opening of the gate at the end of Tyendinaga Drive to provide access to Highway 21 through Craig Street, the gate will not be opened until these approvals can be obtained. The Town of Saugeen Shores is doing everything they can to obtain these approvals in a timely manner and are hoping to have them in place by next Wednesday June 30, 2010.

The Town of Saugeen Shores regrets that this causes some inconvenience to the residents at the end of Tyendinaga Drive. Access will be maintained as much as possible during construction by the Contractor (Omega Construction).

Omega will work with residents to maintain access where possible; however there may be situations where your vehicles will need to be moved prior to 7am or the night before if you will be requiring the use of your vehicle on that day. Omega Construction will notify home owners when their vehicles need to be moved.

We appreciate your co-operation and regret any inconvenience.
