

## **Municipal Heritage Conservation Award 2007 Ms. Audrey Underwood**

The Municipal Heritage Committee (formerly LACAC) would like to present the 2007 Heritage Conservation Award to Ms. Audrey Underwood, from Saugeen Township.

The background information is provided by the Bruce County Genealogical Society and Bernadette Smith.

Audrey Underwood is a longtime resident of Saugeen Township. Her participation in the development and continuing success of the Bruce County Genealogical Society is voluntary. The first meeting of the Bruce County Branch was held on March 20<sup>th</sup>, 1970 in Audrey's home at R.R. #2 Port Elgin, with 12 people attending. The books, documents, family research papers, etc displayed that night, left no doubt in anyone's mind that monthly meetings must be held as soon as possible.

Audrey's knowledge of Township families and farms is unlimited. Her collection of local history, memorabilia, genealogical magazines and journals is willingly shared with all who are interested in history.

Congratulations from the Saugeen Shores Municipal Heritage Committee.
