

Town of Saugeen Shores Municipal Alcohol Policy

Revisions approved by Council October 11, 2022, from original policy dated June 10, 2013

Goal Statement

To ensure event organizers, utilizing eligible Municipal owned property, manage alcohol accessibility and consumption in accordance with the Liquor License Act, R.S.O. 1990 and this policy.

The development of a comprehensive Municipal Alcohol Policy will reduce the likelihood of an incident ever occurring. It will ensure all servers, bartenders, service clubs, the Corporation, its officers and employees in preventing legally liable situations and will help make alcohol-related events in the Town of Saugeen Shores safer and more enjoyable for adults and children alike.

Objective

To ensure event organizers have a clear understanding of the appropriate and acceptable practice of serving alcohol during licensed events.

The objective will be met by:

- Assisting event organizers with compliance of the Special Occasion permits (SOP) as outlined by the Alcohol and Gaming Commission of Ontario (AGCO).
- Training and educating event organizers in the safe operation of SOP licensed events.
- Reinforcing appropriate procedures and controls to ensure responsible drinking practices.
- Explaining the benefits of providing alternative, non-alcohol drinks and appropriate food.

Application

This Policy applies to all events and activities on or in eligible Municipal owned property.

Administration and Enforcement

Town of Saugeen Shores, through the Director of Community Services and Operations, or their designate, is responsible for the administration of this Policy.

The Director of Community Services and Operations, or their designate, Saugeen Shores Police Services, or the Municipal Bylaw Enforcement Officer is responsible for the enforcement of this Policy.

The event organizer of a licensed event:

- can be held liable for the safety and sobriety of patrons.
- can be held responsible for injuries or damages that occur.
- can be held responsible for the safety and behaviour of patrons until they are sober.

Failure to Comply

Failure to comply with the rules and regulations contained within this Policy may result in cancellation of the event and may affect the event organizers opportunity to host future functions on any Municipal owned property. Infractions will be reviewed by the Director of Community Services and Operations or their Designate and discussed with event organizers.

When individuals are found to be consuming alcohol in restricted areas, police will be called to enforce the law.

Notifying the Municipality

The event organizer/permit holder must notify Town Staff, Police, Fire and Grey Bruce Health Unit in writing informing them of the event including a site plan with licensed area clearly defined. Timelines for notifying local authorities:
