Program descriptions

Lane swim: All swimmers are welcome. Slow, medium, and fast lanes. 5 lanes available.

Aquafit: A low impact workout that uses the water as resistance. Go at your own pace, the instructors will give you a variety of options.

Parent and Tot Swim: Parents and caregivers can swim with their children. Shallow and deep areas are open. The first tot swims free with an adult with additional cost for others.

Fun Swim: Shallow and Deep areas are available as well as fun pool activities. Pool admission policies apply. Please review before arrival.

Pool admission policies

We encourage all our swimmers to swim with a buddy.

Admittance requirements for children

Children 6 years of age and younger: must be accompanied in the water by a parent, or guardian who is at least 16 years of age and is responsible for their direct supervision.

Children 7 to 9 years of age: must pass a facility swim test or be accompanied in the water by a parent or guardian who is at least 16 years of age and is responsible for their direct supervision.

Direct supervision: defined by being within arms reach at all times. When directly supervising children there is a maximum of two children under the age of 9 years old per guardian.

Swim test: 2 widths of a recognizable stroke without stopping and 1 minute of treading water.

Age requirements for change room use

Children 7 years of age or older are required to use the change room designated for their gender. If this is not suitable, please see our Program Staff so that appropriate accommodations can be arranged.

Serious medical conditions

Those with serious medical conditions should be accompanied by an individual who knows their condition and is responsible for their direct supervision.

Special needs

Adult, children and seniors are welcome. Any caregiver volunteering their time to help a person with special needs is admitted free (1 caregiver). Special needs swimmers are welcome at any of our swims.

Pool and deck capacity

Maximum capacity: 140. Capacity may be reduced depending on programming.
