

How to Create an Account

Follow this guide to set-up your online account to enroll in Town programs and recreational activities. Once your account is set-up you can search for and enroll in activities including lane swims and aquafit.

Step 1: Go to www.SaugeenShores.ca/Register to create your account.

Step 2: Click on “Create an Account” to get started!

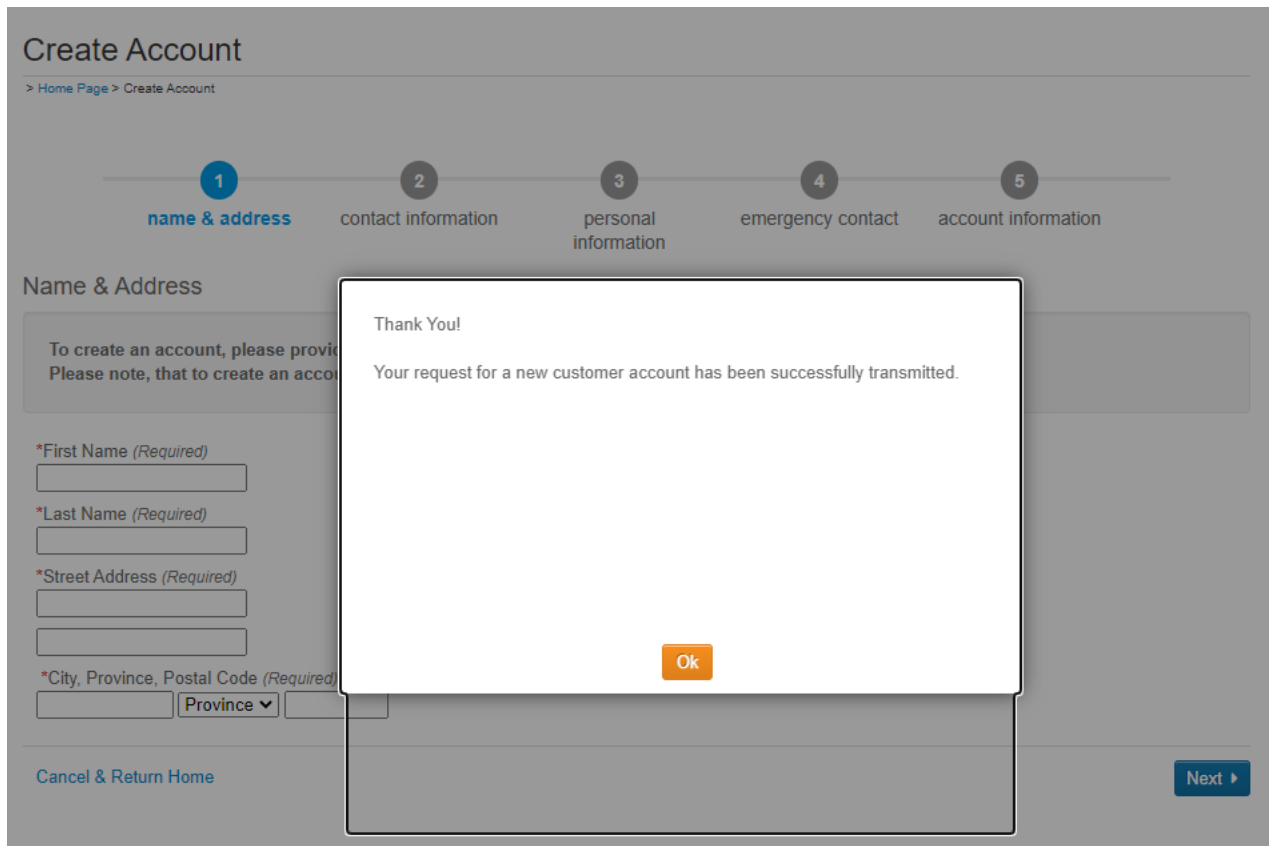

Step 3: Fill in all your contact information, personal information, emergency contact and account information. You will go through the 1-5 steps to create your account. You must complete all required fields.

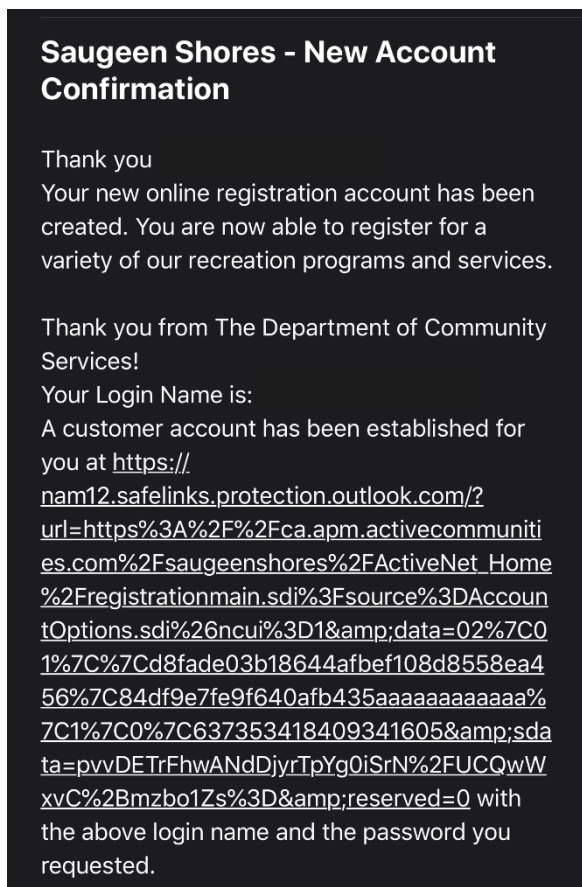

[Sign In](#) | [Create an Account](#)

Step 4: Account Confirmation - You will receive this message after you have completed the 1 through 5 steps to create your account. Then you will receive an email from recreation@saugeenshores.ca confirming your new account.

This is what your confirmation email will look like. Please check your junk mail if you do not received this email in your inbox.
