Independent Auditor's Report

To the Members of Council, Inhabitants and Ratepayers
of The Corporation of the Town of Saugeen Shores

Qualified Opinion

We have audited the accompanying consolidated financial statements of The Corporation of the Town of Saugeen Shores (the Town), which comprise the consolidated statement of financial position as at December 31, 2019, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the potential effects of the matters described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Town as at December 31, 2019, and the consolidated results of its operations, consolidated changes in net financial assets and consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

The completeness and existence of tangible capital assets is not susceptible to satisfactory audit verification, as the Town is unable to determine if all tangible capital assets have been recorded and whether the Town has title to all tangible assets that have been recorded. Accordingly, our verification of these assets was limited to the amounts recorded in the records of the Town. We were unable to determine whether any adjustments might be necessary to the amortization and annual surplus for the years ended December 31, 2019 and 2018, tangible capital assets as at December 31, 2019 and 2018 and accumulated surplus as at January 1 and December 31 for both the 2019 and 2018 years. Our audit opinion on the consolidated financial statements for the year ended December 31, 2018 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Town to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The Corporation of the Town of Saugeen Shores Summary of Significant Accounting Policies

December 31, 2019

Management Responsibility The management of the Corporation of the Town of Saugeen Shores has prepared and is responsible for the integrity, objectivity and accuracy of the financial information presented in the financial statements. Council reviews and approves the consolidated financial statements.

Basis of Accounting The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of Chartered Professional Accountants of Canada as prescribed by the Ministry of Municipal Affairs and Housing.

Basis of Consolidation The consolidated statements reflect the assets, liabilities, revenues and expenses of all municipal organizations, committees, and boards which are controlled by Council. All interfund assets and liabilities and revenues and expenses have been eliminated on consolidation.

The following boards and municipal enterprises controlled by Council have been consolidated:

- Port Elgin Business Improvement Area
- Southampton Business Improvement Area
- Port Elgin Airport Management Board

A government partnership exists where the Town has shared control over the board or entity. The Town's pro-rata share of the assets, liabilities, revenues and expenses are reflected in the financial statements using the proportionate consolidation method. The Town's proportionate interest of the following government partnerships are reflected in the consolidated financial statements:

- Bruce Area Solid Waste Recycling Association
23.85%
- Saugeen Mobility and Regional Transit
17.20%

Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future. Estimates are used when accounting for items such as water and sewer charges receivable, taxes receivable, government transfers and subsidies receivable, accounts payable and accrued liabilities, post-employment benefits liability, landfill site closure and post-closure care liabilities and the estimated amortization periods for tangible capital assets.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances and short term highly liquid investments that are readily converted into cash.

Inventory

Inventory of goods held for resale is recorded at the lower of cost and net realizable value. Cost is determined on the average cost basis.

Inventory of goods held for consumption is recorded at the lower of cost and replacement cost. Cost is determined on a first in first out basis.

The Corporation of the Town of Saugeen Shores
Summary of Significant Accounting Policies

December 31, 2019

Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Amortization is provided over the estimated useful life of the assets using the straight-line method. The useful lives of the following assets are based on estimates made by management. The following useful lives are used:

Buildings	15 - 50 years
Vehicles	3 - 20 years
Machinery and equipment	5 - 50 years
Bridges and culverts	60 - 80 years
Roads - Paved	10 - 15 years
Roads - Gravel	10 - 20 years
Roads - Sidewalks	40 years
Water and Wastewater Systems	20 - 70 years
IT Infrastructure	5 years
Land improvements	20 - 50 years

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

Intangible Assets

Intangible assets, art and historic treasures and items inherited by right of the Crown, such as Crown lands, forests, water and mineral resources, are not recognized in these financial statements.

Solid Waste Landfill Closure
and Post-Closure Care

Site closure and post-closure care costs are recognized over the operating life of the landfill based on capacity used. The liability is recorded at its discounted value, based on the average long-term borrowing rate of the Town.

Post-Employment Benefits

The Town provides post-employment health, dental, and life insurance benefits to eligible retired employees. The benefits earned by employees are recognized over the service life of the employees using the projected benefit method and management's best estimate of salary escalation, benefit costs and retirement ages of employees. Adjustments arising from changes in assumptions and experience gains and losses are amortized on a straight line basis over the expected average remaining service lives of the employees.

The Corporation of the Town of Saugeen Shores Summary of Significant Accounting Policies

December 31, 2019

County and School Board The Town collects taxation revenue on behalf of the school boards and the County of Bruce. The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards and the County of Bruce are not reflected in these financial statements.

Trust Funds Funds held in trust by the Town, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately on the trust funds statement of continuity and balance sheet.

Revenue Recognition Property tax billings are prepared by the Town based on assessment rolls issued by the Municipal Property Assessment Corporation. Tax rates are established annually by the Town Council, incorporating amounts to be raised for local services. A normal part of the assessment process is the issue of supplementary assessment rolls, which provide updated information with respect to changes in property assessment. Once a supplementary assessment roll is received, the Town determines the taxes applicable and renders supplementary tax billings.

Assessments and the related property taxes are subject to appeal. Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of allowance for anticipated uncollectable amounts.

The Town is entitled to collect interest and penalties on overdue taxes. These revenues are recorded in the period the interest and penalties are levied.

User fees and other revenues are recognized when related goods or services are provided and collectability is reasonably assured.

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

The Corporation of the Town of Saugeen Shores Summary of Significant Accounting Policies

December 31, 2019

Revenue Recognition (continued) Investment income earned on surplus funds (other than obligatory reserve funds) is reported as revenue on the daily accrual basis. Investment income earned on obligatory reserve funds is recorded directly to each fund balance and forms part of the respective deferred revenue balances.

Revenue restricted by legislation, regulation or agreement and not available for general municipal purposes is reported as deferred revenue on the consolidated statement of financial position. The revenue is reported on the consolidated statement of operations in the year in which it is used for the specified purpose.

Financial Instruments

The Town classifies all of its financial instruments at amortized cost. The maximum exposure to credit risk is the carrying value of the financial instruments. These financial instruments include cash, temporary investments, other receivables, loans receivable, long-term investments, accounts payable and accrued liabilities, and long-term debt. They are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument. Writedowns of financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net realizable value with the writedown being recognized in the statement of operations.

Liability for Contaminated Sites

A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. The liability is recorded net of any expected recoveries. Management is not aware of any contaminated sites for which a liability needs to be recognized.

The note from Westario Power Inc. is receivable on demand, subject to certain limitations. Interest earned on notes receivable during the year was \$126,192 (2018 - \$126,192).

The town owns 25% of the outstanding common shares of Westario Power Inc., a private company incorporated under the laws of the Province of Ontario. The shares have no fixed maturity dates and are generally not exposed to interest rate risk. The fair value of these shares is not practicable to determine in the absence of published market quotations. Dividends of \$199,838 (2018 - \$112,409) were received on these shares during the year.

5. Landfill Site Closure and Post-closure Care Liability

Landfill site closure and post-closure care requirements are defined in accordance with industry standards and include final covering and landscaping of the landfill, removal of ground water and leachates and ongoing environmental monitoring, site inspection and maintenance. These costs will be incurred as each landfill site stops accepting waste, with the post-closure care expected to continue for an additional 20 years. The total future closure and post-closure care costs are estimated to be \$534,438.

Port Elgin Landfill Site

At December 31, 2019 a liability of \$49,333 has been recognized in the financial statements. This represents 100% of the present value of the estimated post-closure care costs, and is based on a long-term borrowing rate of 2.91% and an annual inflation rate of 2.02%.

Southampton Landfill Site

At December 31, 2019 a liability of \$180,031 has been recognized in the financial statements. This represents 68% of the present value of the estimated post-closure care costs, and is based on a long-term borrowing rate of 2.91% and an annual inflation rate of 2.02%. The balance of the liability of \$86,527 will be accrued as the remaining capacity of 138,608 cubic meters is utilized, which is expected to be over the next 15.6 years.

At December 31, 2019 the landfill site closure and post closure liability is unfunded. The liability is expected to be funded through budget allocations to a landfill reserve over the remaining life of the landfill sites.

14. Pension Plan

The town makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 108 members of its staff of the Town. This plan is a defined benefit plan which specifies the amount of the retirement entitlement to be received by the employees based on length of service and rates of pay. Employees and employers contribute jointly to the plan.

The employer amount contributed to OMERS for 2019 was \$853,618 (2018 - \$782,142) for current service. The contribution rate for 2019 was 9.0% to 15.8% depending on age and income level (2018 - 9.0% to 15.8%).

OMERS is a multi-employer plan, therefore, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Town does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was on December 31, 2019. At that time the plan reported a \$3.40 billion actuarial deficit (2018 - \$4.19 billion), based on actuarial liabilities of \$106.44 billion (2018 - \$99.06 billion) and actuarial assets of \$103.04 billion (2018 - \$94.87 billion). Ongoing adequacy of the current contribution rates will need to be monitored and may lead to increased future funding requirements.

15. Post-Employment Benefits

The town provides post-employment health, dental and life insurance benefits to eligible retired employees. Payment for these benefits totaled \$60,166 (2018 - \$64,046) during the year. The post-employment benefit at December 31 includes the following components:

	2019	2018
Accrued benefit obligation	\$ 1,063,100	\$ 1,048,500
Unamortized actuarial gain (loss)	(174,600)	(196,400)
Accrued benefit liability	<u>\$ 888,500</u>	<u>\$ 852,100</u>

Actuarial valuations for accounting purposes are performed using the projected benefit method. The most recent actuarial report was prepared March 30, 2018.

The actuarial valuation was based on a number of assumptions about future events, such as inflation rates, interest rates, medical inflation rates, wage increases, employee turnover, and mortality rates. The assumptions used reflect management's best estimates. A discount rate of 3.30% was assumed to determine the accrued benefit obligation. Health, dental, and travel premium rates are predicted to escalate by 4% annually.

18. Contingencies and Contractual Commitments

- a) In January 2020, the Town entered into a five year operating agreement with the Ontario Clean Water Agency (OCWA) for the operation and maintenance of the Southampton water treatment facility, the Southampton water distribution system, the Southampton wastewater treatment plant, and the Port Elgin wastewater treatment plant.

The following are the annual fixed prices for each of the OCWA components for 2020 to 2024, the terms of this agreement:

	Port Elgin Wastewater Treatment Plant	Southampton Wastewater Treatment Plant	Southampton Water Distribution System	Southampton Water Treatment Facility	Annual Capital Allowance for Maintenance
2020	\$802,145	\$606,708	\$230,247	\$624,231	\$25,000
2021	837,258	633,141	240,499	651,568	25,000
2022	837,258	633,141	240,499	651,568	25,000
2023	837,258	633,141	240,499	651,568	25,000
2024	837,258	633,141	240,499	651,568	25,000

These commitments will be funded by way of water and sewer user charges. The agreement may be renewed for a successive five year term subject to agreement between the parties.

- b) In August 2020, the Town approved to enter into a five year operating agreement with Bruce Area Solid Waste Recycling (BASWR) for solid waste collection services within the area of Saugeen Shores. The agreement may be renewed for a successive five year term subject to agreement between the parties. The following are the annual waste collections fees starting October 2020 and ending September 2025:

2020	\$ 320,101
2021	336,761
2022	342,922
2023	349,206
2024	355,615

18. Contingencies and Contractual Commitments - (continued)

- c) The Town has awarded 22 contracts for capital projects that were not completed at year-end. The balance of the projects to be completed in 2020 is approximately \$2,027,000.
- d) Several lower tier municipalities on the Bruce Peninsula, including the Town of Saugeen Shores, have been named as defendants in a land claim action filed by the Chippewas of Saugeen and Nawash for damages alleged to total \$92 billion. Also joined as defendants in the action are the Counties of Bruce and Grey, the Province of Ontario, and the Dominion of Canada. No breakdown as to each municipalities' relative share of the \$92 billion has been provided. The likelihood of the success of this action is undeterminable at this present time.
- e) The Town has been issued a statement of claim subsequent to year end that will not be covered by insurance. The Town's liability with respect to this claim is not determinable at this time.

19. Temporary Borrowings

According to the terms of the Town's credit agreement with the bank, the maximum available operating credit limit is \$2,500,000 at an interest rate of prime less 0.75%. This facility is secured by a current borrowing by-law. There were no amounts drawn under this facility at year end.

20. Financial Instruments

Credit Risk

The town is exposed to credit risk through its cash, temporary investments, trade and other receivables, loans receivable, and long-term investments. There is the possibility of non-collection of trade and other receivables. The majority of the Town's receivables are from rate payers and government entities. For trade and other receivables, the Town measures impairment based on how long the amounts have been outstanding. The amounts outstanding at year end, which is the Town's maximum exposure to credit risk related to trade and other receivables, were as follows:

	0 - 30 days	31 - 90 days	91 - 365 days	1 to 2 years	3 to 10 years
Cash	\$ 20,971,703	\$ -	\$ -	\$ -	-
Temporary investments	7,034,750	-	-	-	-
Trade & other receivables	181,469	859,783	1,019,879	88,854	(85,404)
Loans receivable	18,957	32,741	427,682	506,338	445,592
Long-term investments	-	-	-	-	7,626,491

Liquidity Risk

Liquidity risk is the risk that the Town encounters difficulty in meeting its obligations as they fall due. The Town has a planning and budgeting process in place to help determine the funds required to support the Town's normal operating requirements on an ongoing basis. The Town ensures that there are sufficient funds to meet its short-term requirements, taking into account its anticipated cash flows from operations and its holdings of cash and cash equivalents. To achieve this aim, it seeks to maintain an available line of credit balance as approved by the appropriate borrowing by-law to meet, at a minimum, expected requirements for a period of at least 90 days. The following table sets out the contractual maturities (representing undiscounted contractual cash-flows) of financial liabilities:

	0 - 30 days	31 - 90 days	91 - 365 days	1 to 2 years	3 to 10 years
Accounts payable and accrued liabilities	\$ 2,740,535	\$ 226,759	\$ 629,316	\$ 784,882	-

20. Financial Instruments - (continued)

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial statement instrument will fluctuate because of changes in market interest rates. The Town is exposed to interest rate risk arising from the possibility that changes in interest rates will affect the variable rate of temporary borrowings and long-term liabilities and the value of fixed rate long-term liabilities.

There have been no significant changes from the previous year in the exposure to risk or policies, procedures and methods used to measure risks.

21. Subsequent Event

Subsequent to year end, the impact of COVID-19 in Canada and on the global economy increased significantly. As the impacts of COVID-19 continue, there could be further impact on the Town, its citizens, employees, suppliers, and other third party business associates that could impact the timing and amounts realized on the Town's assets and future ability to deliver services and projects. At this time, the full potential impact of COVID-19 on the Town is not known. Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration of disruption and the related financial impact cannot be reasonably estimated at this time. The Town's ability to continue delivering non-essential services and employ related staff will depend on the legislative mandates from the various levels of government. The Town will continue to focus on collecting receivables, managing expenditures, and leveraging existing reserves and available credit facilities to ensure it is able to continue providing essential services to its citizens.

22. Segmented Information

The town is a diversified municipal government institution that provides a wide range of services to its citizens such as policing, fire protection, animal control, sewer, water, waste collection, disposal and recycling, recreation services, library and planning. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segment and activities they encompass are as follows:

General Government

This item refers to the revenues and expenses that relate to the governance and operations of the Town itself and cannot be directly attributed to a specific segment.

22. Segmented Information - (continued)

Protection to Persons and Property

Protection is comprised of police services, fire protection, conservation authority, emergency planning, by-law enforcement, animal control and building and structural inspection. The police services work to ensure the safety and protection of the citizens and their property. The fire department is responsible to provide fire suppression service, fire prevention programs, training and education. The members of the fire department consists of one part-time and two full-time employees as well as volunteers. The building department provides a number of services including enforcement of building and construction codes and review of all property development plans through its application process.

Transportation

Transportation is responsible for construction and maintenance of all the Town's roadways, bridges, parking areas and street lighting. Transportation also includes the provision of air transportation through the Port Elgin Airport Management Board.

Water and Sewer

This service provides the Town's drinking water. They process and clean sewage and ensure the Town's water system meets all provincial standards.

Waste Management

Included in waste management services is the provision of waste collection, disposal and recycling to its citizens.

Recreation and Cultural Services

This service area provides services meant to improve the health and development of the Town's citizens. The Town provides recreational programs and operates and maintains parks, arenas, a swimming pool, community centres, campgrounds and marinas. The Town also provides maintenance for the libraries.

Other Services

Included in the other services category is health as well as planning and development services. Health services provide the maintenance of the two medical clinics and the operations of local cemeteries. Planning and development provides services in conjunction with the County of Bruce regarding planning and development issues. Also included are the Business Improvement Area, promotion of the Town and tile drainage.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies. Amounts that are directly attributable to a number of segments have been allocated on a reasonable basis as follows:

Taxation, OMPF government transfers and interest are allocated to those segments that are funded by these amounts based on a percentage of the net surplus for the year.

Independent Auditors' Report

To the Members of Council, Inhabitants and Ratepayers
of the Corporation of the Town of Saugeen Shores

We have audited the accompanying financial information for the Corporation of the Town of Saugeen Shores Trust Funds (Trust Funds), which comprise the balance sheet as at December 31, 2019, the statement of continuity for the year then ended, and notes to the financial information including a summary of significant accounting policies.

In our opinion, the financial information presents fairly, in all material respects, the balance sheet for the Trust Funds as at December 31, 2019 and the statement of continuity for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Information section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Information

Management is responsible for the preparation and fair presentation of this financial information in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

In preparing the financial information, management is responsible for assessing the Trust Funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Funds' financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Funds' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial information, including the disclosures, and whether the financial information represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Information

December 31, 2019

1. Summary of Significant Accounting Policies

Management Responsibility The management of the Corporation of the Town of Saugeen Shores has prepared and is responsible for the integrity, objectivity and accuracy of the Trust Fund financial information. Council reviews and approves the financial information.

Basis of Consolidation This trust fund has not been consolidated with the financial statements of the Town.

Basis of Accounting The trust fund financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of Chartered Professional Accountants of Canada as prescribed by the Ministry of Municipal Affairs and Housing.

Financial Instruments The trust fund classifies its financial instruments at amortized cost. The maximum exposure to credit risk is the carrying value of the financial instruments. These financial instruments include cash and investments. They are initially recognized at cost and subsequently carried at amortized cost using the effective interest rate method, less any impairment losses on financial assets.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument. Writedowns of financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net realizable value with the writedown being recognized in the statement of operations.

	\$ 412,272	\$ 419,546

The total investments of \$412,272 reported on the statement of continuity have a market value of \$421,949 at the end of the year.

3. Financial Risk Management

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The trust fund is exposed to credit risk arising from its cash and investments.

Liquidity Risk

Liquidity risk is the risk that the trust fund will encounter difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the trust fund will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value which is less than what they are worth; or may be unable to settle or recover a financial asset. The trust fund is exposed to this risk arising from its amount due to the Corporation of the Town of Saugeen Shores.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The trust fund is exposed to interest rate risk arising from the possibility that interest rates will affect the value of fixed income denomination investments.

There have been no significant changes from the previous year in the exposure to risk other than those noted.
