Clerk

In accordance with the Municipal Elections Act, s 88.20(12)(13), the Clerk shall give candidates a preliminary calculation of the maximum campaign expenses at the time of filing the nomination paper, based upon the number determined from the voters' list from the previous regular election, as it existed on September 15 in the year of the previous election, adjusted for applications under sections 24 and 25 that were approved as of that day.

On or before September 30, 2026, the Clerk shall give a "final" certificate of the applicable maximum campaign expenses to each candidate. The number of electors to be used in this final calculation is to be the greater of the number of electors for the office from the Voters' List as it existed on September 15 in the year of the previous election, adjusted for applications under sections 24 and 25 that were approved as of that day, or the number of electors on September 15 in the current election, including changes made on that day.

Certificate to be given to candidate in accordance with Section 13.
